

Endobronchial Ultrasound (EBUS) Workshop

Date: Thursday, 18 March 2010

Time: 13:00 – 16:00

Place: Al Mas Hall # 3

Preamble:

- Attendance is limited to **24** attendees.
- Pre-registration is required on first come first served bases. Deadline: **28 February 2010**
- Registration fee = \$100. (*Separate from the main meeting registration*)
- Workshop is approved for CMEs from SCHS.

Target Audience:

This workshop is designed for the practicing Pulmonologist, Chest Surgeon and Interventional Bronchoscopy Assistants. The course is intentionally limited in the number of participants, in order to allow for maximum benefit of small group instruction and interaction with faculty in the hands-on sessions.

Objectives:

- To inform delegates about the exact role of EBUS and briefly review the literature.
- To provide a clear understanding of the tools and techniques involved.
- To demonstrate the practice of EBUS-TBNA and provide an opportunity for delegates to perform the procedure on a phantom.
- At the conclusion of the workshop the participant will have a good understanding of basic principles of Endobronchial Ultrasound and it's application. The participants will have an excellent idea of the technical skills required to safely begin performing EBUS in a clinical setting.

Program:

Time	Topic
13:00 – 13:10	Introduction to the Workshop Abdullah Al Mobeireek (KSA)
13:10 – 13:40	EBUS: Background, Theoretical Aspects, Evidence. Mohammed Munavvar (UK)
13:40 – 14:20	EBUS-TBNA: Practical Tips: Equipment, Technique and Videos. Kazuhiro Yasufuku (Canada)
14:20 – 15:50	Hands-On Session: Step by Step Demonstration of Technique in EBUS TBNA Models. Dr. Kazuhiro Yasufuku - Dr. Mohammed Munavvar
15:50 – 16:00	- Concluding Remarks - Distribution of Certificates of Attendance Abdullah Al Mobeireek (KSA)
